

## Horse Riding

As we develop the proposal for the Glacial Heritage Area (GHA), the External Advisory Team and the Department of Natural Resources would like to hear from you about your outdoor recreation interests and needs. We want your help in shaping the project!

---

1. About **how often** do you **currently** ride horses on trails within the Glacial Heritage Area study area?

2. Primarily, would you be riding a horse that is:

\_\_\_\_ already stabled in the Glacial Heritage Area  
\_\_\_\_ trailered to the Glacial Heritage Area  
\_\_\_\_ provided by a local livery stable

3. Thinking just about the ride (not necessarily the entire trip), about **how long** would you like your average horse ride *in the Glacial Heritage Area* to last?

4. From the list below, please write a 1, 2 and 3 next to the top *three* changes that would encourage you to go on more horse rides *in the Glacial Heritage Area*. (1 = most important reason).

\_\_\_\_ if there were more places to go on horse rides  
\_\_\_\_ if there were more trails of the type I prefer  
\_\_\_\_ if the places to go on horse rides were less crowded  
\_\_\_\_ if there was more information or better maps about places to go  
\_\_\_\_ if there were fewer conflicts with people participating in other recreation activities  
\_\_\_\_ if there were more horse-specific facilities (water for stock, hitching posts, corrals, etc.) at the places to go on horse rides  
\_\_\_\_ if there were more general facilities (picnic tables, bathrooms, shelters, etc.) at the places to go on horse rides  
\_\_\_\_ if the places to go on horse rides were better posted or signed  
\_\_\_\_ if places to go provided better access to people with disabilities  
\_\_\_\_ other \_\_\_\_\_  
\_\_\_\_ none of the above, nothing prevents me from going on more horse riding outings (I currently go riding about as often as I wish to)
